Thank you for your organization's donation to the Meals On Wheels program. A special thank you to Lindsey from your Boise office for her selecting SEICAA's Meals On Wheels program as the agency of choice for CBP Affiliated Services' donation.

Not only will this donation help pay for the cost of home-delivered meals to our vulnerable, isolated elderly clients but it will also provide a means for our drivers to check on the safety and health of them as well. In this week alone, our drivers have been the ones to discover an elderly gentleman that had fallen in his home, another gentleman in Stage 2 Alzheimer's Disease that was agitated, confused and on the verge of wandering out his door to search for his now deceased wife, and the office has signed up a new client whose daughter has reached a level of frustration (a very common occurrence amongst family caregivers) in taking care of all of her father's needs.

Without donations from the community the above situations could have had entirely different and perhaps life-threatening outcomes.

The Southeastern Idaho Community Action Agency is a private non-profit 501c(3) organization. Your charitable contribution is deductible under the limits of the law. For your tax purposes, SEICAA's EIN # is **82-0290341**.

Again, thank you for your contribution. It is greatly appreciated.
